Hi Steve – I am now the Project Officer for the START contract. Both Steve Way and Joyel Dhieux have put in requests for new TDDs at the Upper Animas site, which they said would be funded by pipeline money. Both are requesting \$50,000 for their assessments for a total of \$100,000. Before we can issue the TDDs, we need to get the funding obligated to the START contract.

I could do the PR for the contract if you can provide the accounting string. Alternatively, perhaps someone in your group could prepare the PR. The contract number is EP-S8-13-01, and the funds would be applied to Task Order 01.

I am in the office today and tomorrow, then out the rest of the week. If I'm going to prepare the PR, please get me the accounting string today or early tomorrow. Thanks!
